**\*NOTE:** This report covers State of Ohio Fiscal Year 2023, which ran July 1, 2022, to June 30, 2023. It also highlights the department's 2022 training year (aligning with Federal Fiscal Year 2022), which ran from Oct. 1, 2021, to Sept. 30, 2022 (see chart on p. 8-9). Throughout the publication, references to the state fiscal year may be abbreviated as SFY23 and the federal fiscal year may be abbreviated as FFY22.

Governor Mike DeWine,

It is my pleasure to present the Adjutant General's Department 2023 Annual Report. This year, your National Guard successfully completed missions to respond when called by our great state and nation.

Readiness is our number one priority. From planned deployments overseas to rapid response for emergency situations, we were ready to serve.

One way we maintain readiness is through our State Partnership Program. This fiscal year, we celebrated our 15th anniversary of collaboration with Serbia. The State Partnership Program helps to promote regional stability and ensures our countries can effectively work together on mutual missions.

One priority is to make sure our Guard members and Families are well taken care of, because our readiness depends on their readiness. We recently established a new J9 Directorate, which is a comprehensive wellness program that brings existing programs under one umbrella so there is "no wrong door" for our members and Families to enter when they need wellness assistance. Individuals who seek information about available assistance, resources, and services receive full assistance and are not denied or delayed in receiving care, information, or support because of an individual's inability to navigate available resources or help.

Cybersecurity continues as a major initiative. This year, the 179th Airlift Wing in Mansfield took its final flight before preparing to transition as the nation's first Air National Guard cyberspace wing. The wing will continue the transition to its new mission in the coming fiscal year.

I am honored to serve with the nearly 16,000 men and women whose dedication each and every day shows why the National Guard lives up to the motto "Always ready. Always there!"

Major General John C. Harris Jr.  
Ohio Adjutant General

# LEADERSHIP

## GOVERNOR

Mike DeWine

The governor is the commander in chief of the Ohio National Guard and, as such, has the authority to activate the Ohio National Guard to support and assist local authorities during state emergencies or for homeland defense.

## ADJUTANT GENERAL

Major General John C. Harris Jr.

The adjutant general is a member of the governor's cabinet and is responsible for the command of the Ohio Army National Guard, Ohio Air National Guard, and State Defense Force. The adjutant general supervises the heads of these components in the day-to-day operation and management of the readiness, fiscal, personnel, equipment, and real property resources of the agency.

## ASSISTANT ADJUTANT GENERAL FOR ARMY

Brigadier General Matthew S. Woodruff

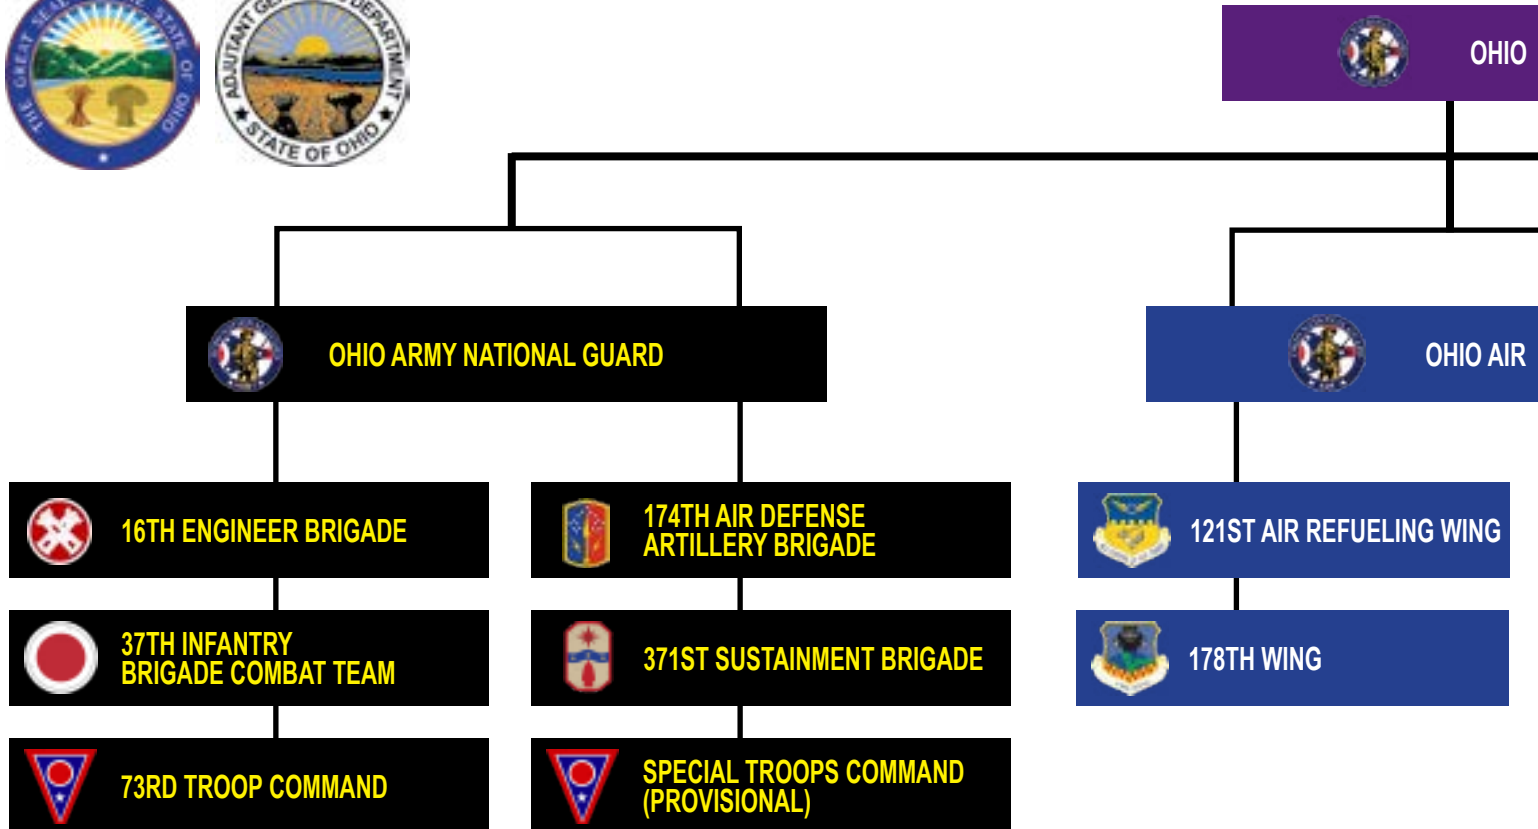

The assistant adjutant general for Army is responsible for establishing policies, priorities, and oversight for the readiness of the Ohio Army National Guard in six brigade-level major subordinate commands.

## ASSISTANT ADJUTANT GENERAL FOR AIR

Brigadier General David B. Johnson

The assistant adjutant general for Air is responsible for directing the Ohio Air National Guard's day-to-day operations and administration and helping establish policy to ensure mission readiness of four wings and support units.

**DIRECTOR OF THE JOINT STAFF**

Brigadier General Jeffrey B. Watkins  
The director of the joint staff is responsible for executing joint Ohio National Guard operations, actions, and activities to help prepare for an effective response to contingency operations in a federal or state emergency. The director oversees the joint staff and advises the adjutant general on issues and policies relating to the operations, sustainment, and administration of the Ohio National Guard.

**COMMAND SENIOR ENLISTED LEADER**

Command Sergeant Major Scott M. Barga  
The command senior enlisted leader (CSEL) serves as the adjutant general's principal advisor on all enlisted matters affecting training, readiness, utilization, health of the force, and enlisted professional development. As the highest-ranking enlisted member of the Ohio National Guard, the CSEL provides direction for the enlisted force, communicates command policies and initiatives, and ensures Soldiers and Airmen adhere to established organizational standards and goals.

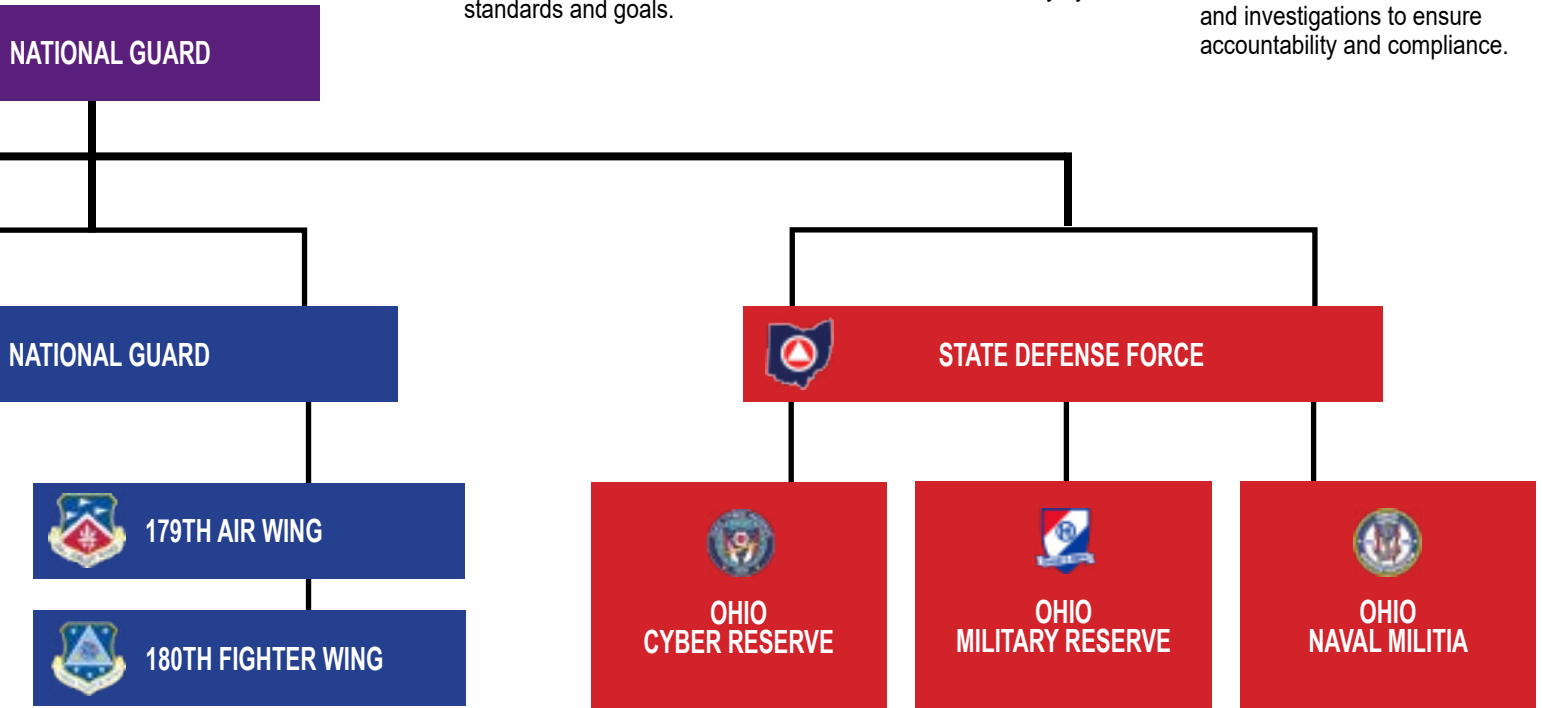

**ASSISTANT QUARTERMASTER GENERAL**

Colonel (Retired) Rodney D. Tansill  
The assistant quartermaster general is responsible for all property of the Adjutant General's Department. The assistant quartermaster general heads the Directorate of Installation Management and Resources (DIMR), which oversees energy and environment, facilities management, state finance, state contracting, planning and programming, resource management, state inventory and business services, geospatial information services, and electronic security systems.

**UNITED STATE PROPERTY AND FISCAL OFFICER**

Colonel Thomas P. Caldwell  
The United States Property and Fiscal Officer (USPFO) serves in Title 10 active-duty status and is responsible for oversight and accounting of federal funds and property in the possession of the Ohio National Guard. The USPFO ensures that federal funds are obligated and expended in compliance with applicable statutes and regulations, as directed by the chief, National Guard Bureau, and the appropriate service secretaries; the USPFO directs inventories, audits, and investigations to ensure accountability and compliance.

# COMMAND

**THE GOVERNOR** has the authority to activate the Ohio National Guard to support and assist local authorities during state emergencies or for homeland defense.

**THE ADJUTANT GENERAL** commands the Army and Air Ohio National Guard, and the State Defense Force.

The Ohio National Guard is a unique military enterprise, with a dual mission that consists of both federal and state roles, administered by the Ohio Adjutant General's Department. As the adjutant general, Maj. Gen. John C. Harris Jr. is responsible to the governor of the State of Ohio and the president of the United States. These two responsibilities involve preparing for and responding to current and emerging homeland security threats, homeland defense initiatives, and national defense roles and missions. For state missions, the governor, through the adjutant general, commands Guard forces. The governor can call the National Guard into action during local or statewide emergencies, natural disasters, or civil disturbances. In addition, the president can activate the National Guard for participation in federal missions, including deployment of Guard units worldwide. When federalized, Guard units are commanded by the combatant commander of the geographic region in which they are operating. The Adjutant General's Department comprises the Ohio Army and Air National Guard, as well as the State Defense Force, which is composed of the Ohio Military Reserve, Ohio Naval Militia, and the Ohio Cyber Reserve. Each entity is distinctly organized with diverse capabilities.

## COMMUNITY MISSIONS

The Ohio National Guard (OHNG) is actively involved in local communities, striving to be a valued and consistent partner by providing support, through a variety of programs and efforts. The OHNG also contributes to the advancement of Ohio and its communities through tangible partnerships such as the Ohio Cyber Collaboration Committee (OC3), which strengthens cybersecurity infrastructure in the state; and the Ohio National Guard Counterdrug Program, which provides support to civilian law enforcement agencies and community-based organizations to enhance their efforts to counter the threat of illegal substances, trafficking, and violence in Ohio.

### COUNTERDRUG PROGRAM

The Ohio National Guard Counterdrug Program provided full-time analysis support to 35 law enforcement agencies and six community-based substance abuse prevention organizations with 39 Soldiers and 23 Airmen of the Ohio National Guard. Counterdrug supported the spring and fall Prescription Drug Takeback Day events by transporting over 20,000 pounds of unused medications.

## STATE TESTED NURSE AID TRAINING

February - March 2023 — The Ohio Department of Health funded training for Ohio National Guard Soldiers and Airmen to become certified State Tested Nurse Aides (STNA). The program's goal is to increase the number of trained personnel to support staffing needs for Ohio hospitals during any potential future public health issues.

## OPERATION NIGHT TRAIN

February 2023 — Ohio National Guard military police Soldiers supported civil law enforcement following a large-scale train derailment in East Palestine, Ohio. The Ohio National Guard was activated at the request of Gov. Mike DeWine to support local and state authorities in providing cordon and traffic control around the incident site. Members of the 52nd Civil Support Team performed duty in a U.S.C. Title 32 active-duty status.

## CYBER SHIELD

May - June 2023 — Members of the Ohio Cyber Reserve (OhCR) played multiple roles at the Cyber Shield 2023 exercise at the Professional Education Center in North Little Rock, Ark. Cyber Shield is the longest-running and largest Department of Defense unclassified cyber defense exercise, conducted annually since 2013. Participants from the OhCR built relationships with other cyber professionals from around the country and learned new processes and procedures to use in their civilian professions as well as when serving with the OhCR.

## COMMUNITY RELATIONS

The Ohio National Guard Community Relations (COMREL) Program is responsible for administering community support requests. Guard members support hundreds of communities or military appreciation events, engaging with Ohioans throughout the state. The Ohio National Guard offers several resources for the community to request, including military bands, color guards, military displays, and flyovers.

Ohio National Guard members support several annual "Big Ticket" events such as the PGA's Memorial Tournament; Governor's Wreath-Laying Ceremony; Red, White and BOOM! Independence Day celebration; Columbus Veterans Day Parade; The Ohio State University military appreciation football game; and the Ohio Veterans Hall of Fame induction ceremony.

# JOINT FORCE HEADQUARTERS

Located at the Maj. Gen. Robert S. Beightler Armory in northwest Columbus, the Joint Force Headquarters-Ohio encompasses the Adjutant General's Department and the various offices and organizations that conduct the business of the Ohio National Guard — for its members, units, partners, and the State of Ohio government. The Joint Force Headquarters (JFHQ) executes command and control of all Ohio National Guard forces through the joint staff and the headquarters elements for the Ohio Army and Air National Guard by providing leadership, administrative, training, and logistical support to facilitate the organization's missions and maintain individual member readiness. Elements of the JFHQ engage in a variety of community, regional, and strategic partnerships; manage member educational and other benefits; and coordinate with government entities, as well as keep stakeholders and constituents informed through numerous public affairs and community outreach efforts. The JFHQ coordinates military support at the request of the governor in the event of a disaster or state emergency, as well as homeland security, defense support of civil authorities, and other domestic emergency missions within the United States. The JFHQ also serves as a liaison with National Guard Bureau, the Secretaries of the Army and Air Force, and the Department of Defense to provide ready units and Guard members to support the National Defense Strategy and contingency operations worldwide.

The event helped inform participants about the roles, missions, and equipment of the Ohio National Guard, as well as the numerous education and career training benefits available to those who join.

## COMMUNITY OUTREACH

The Ohio National Guard (OHNG) Community Outreach Program concentrates on building relationships with specific stakeholder groups to promote the readiness and resiliency of Soldiers, Airmen, and their Families in their respective communities. The OHNG achieves this through the following efforts:

**Education** – Initiatives that support efforts to help civilians understand the OHNG’s mission and capabilities.

**Engagement** – Communication with target audiences aimed at creating and improving relationships with key communities and furthering understanding of the Ohio National Guard.

**Partnerships** - Every partnership we forge and grow is important to accomplishing the mission across nations and here at home. Our success always comes back to the support we receive from the local community.

**Orientation Flights** - An initiative that brings select members of the community to OHNG facilities for large-scale events involving a Guard brief, informational presentations from various units and offices, equipment displays and, most importantly, a flight aboard an military aircraft. In FY23, The Ohio National Guard hosted eight orientation flights with around 250 attendees in total.

## University of Cincinnati exercise

About 20 members of the Ohio Cyber Reserve tested their incident response skills during a cybersecurity exercise led by the Ohio Cyber Range Institute July 15, 2022, at the University of Cincinnati.

## CYBERSECURITY

As part of its homeland defense mission, the Adjutant General's Department is leading a number of efforts in Ohio to protect state and local government, critical infrastructure, businesses, and private citizens from cyber threats and attacks.

### OHIO CYBER RANGE (OCR)

The Ohio Cyber Range is a secure virtual environment used for cybersecurity training and technology development. The OCR is accessible for competitions, training, and as a testing environment for schools, governments, and businesses. Range sites are located at the University of Cincinnati and the University of Akron.

### OHIO CYBER COLLABORATION COMMITTEE (OC3)

At the direction of the governor, the Adjutant General's Department has brought together more than 200 representatives from public, private, military, and educational organizations to form the OC3. Its mission is to provide an environment for collaboration between the key stakeholders to strengthen cybersecurity for all in the State of Ohio and to develop a stronger cybersecurity infrastructure.

## STATE PARTNERSHIP PROGRAM

The State Partnership Program (SPP) began as part of the European Reassurance Initiative in the 1990s. The program’s intent was to partner with former Warsaw Pact/Soviet-influenced nations in Eastern Europe as a stability initiative.

The SPP links U.S. states with a partner country to improve bilateral relations. The program’s goals reflect an evolving international affairs mission for the National Guard, to promote regional stability and civil-military relationships in support of U.S. policy objectives.

The Ohio National Guard has two state partners. Since 1993, the Ohio National Guard has partnered with Hungary and celebrates the 30th anniversary of that partnership in 2023. In September of 2006, the Ohio National Guard began a partnership with the Republic of Serbia.

The state partners actively participate in a host of security cooperation activities ranging from bilateral familiarization and training events, to exercises, fellowship-style internships, and civic leader visits. Key areas of engagement include cybersecurity; chaplain training; nonlethal peacekeeping focus training and exercises; intelligence training; chemical, biological, nuclear, and radiological (CRBN) training; disaster preparedness response training; senior leader collaborations; military professional development; and aviation planning/support training. All activities are coordinated through the theater combatant commanders, the respective U.S. ambassadors’ country teams and other agencies as appropriate, to ensure that National Guard support is tailored to meet both U.S. and country objectives.

The Serbian partnership produced a trilateral engagement in 2017 with the Angolan Armed Forces to create the first combined medical engagement between the three militaries in the Republic of Angola.

### Ohio, Serbia celebrate spirit of cooperation during annual capstone event

Maj. Gen. John C. Harris Jr., right, Ohio adjutant general, presents a carved medallion to Gen. Milan Mojsilović, chief of the Serbian Armed Forces (SAF) General Staff, to commemorate the 15th anniversary of the State Partnership Program collaboration between Ohio and Serbia Sept. 8, 2022, in Belgrade, Serbia. The anniversary milestone was in 2021, but the COVID-19 pandemic prevented Harris from traveling to present the medallion that year. The ceremony was part of an Ohio delegation’s official visit Sept. 7-10, 2022, which included meetings with Serbia’s president, prime minister, and SAF senior leadership.

# MEMBER SUPPORT

The Soldiers, Airmen, and Families of the Ohio National Guard are the foundation of our program as we support them in all phases of their careers. From recruitment through retirement and beyond, we care for our members and their Families through a variety of programs.

The Ohio National Guard recently established a J9 Directorate, which is a comprehensive wellness program specifically focused on prevention, risk reduction, and resiliency for its members and their Families. The J9 incorporates existing Ohio National Guard programs together with new programs concentrated on awareness and mitigating self-directed harm, violence, and substance abuse. It will additionally expand current service member and Family-based services by placing them underneath a single manager and dedicated staff that is better able to understand broader issues and trends, and to move to resolve them with the appropriate resources and experts.

## **FAMILY READINESS & WARRIOR SUPPORT**

The Ohio National Guard Family Readiness and Warrior Support (FR&WS) division serves all of Ohio's military members and military Families. Core objectives of these programs include preparing troops and Families for deployment throughout the deployment cycle (before, during and after), building resiliency in Military Families and members through aggressive individual and Family programming including camps and retreats, and executing specific pre-deployment briefings and post-deployment reintegration programs for troops, Families, and employers.

### Ohio National Guard launches Freedom to Serve campaign

The Ohio National Guard launched its Freedom to Serve campaign June 1, 2023, at the Maj. Gen. Robert S. Beightler Armory in Columbus, Ohio, with retired U.S. Army Col. Edna Cummings, back row, third from left, who talked about the 6888th Central Postal Directory Battalion, an all-female, all-Black unit that served during World War II. This was the first of several scheduled events to celebrate the 75th anniversary of President Truman signing executive orders that directed the integration of the U.S. military and federal workforce, as well as the passage of the Women’s Armed Services Integration Act.

## WELLNESS PROGRAMS

**SOLDIER AND FAMILY READINESS SPECIALISTS (SFRS)** tracked 3,439 requests, worked 2,910 cases (including those Soldiers participating in Operation Solid Start), and provided resource support to 1,235 Military Families within its four Ohio regions.

**OPERATION SOLID START PROGRAM** provides a holistic understanding of Soldier readiness at the individual level to create stability at home and within a unit, thus allowing Soldiers to meet individual and collective training requirements in preparation of state and federal mobilization and missions.

**BEHAVIORAL HEALTH** is a team of seven civilian psychological health coordinators who provide guidance to Army leadership, members, and their Families with acute behavioral health needs.

**SURVIVOR OUTREACH SERVICES** provide long-term case management for Families of the fallen as part of the Army Casualty Continuum of Care.

**CASUALTY ASSISTANCE** is provided to next of kin members receiving benefits and/or entitlements in death or missing cases who need ongoing exchanges of information with the Department of the Army.

**SEXUAL ASSAULT PREVENTION & RESPONSE** program provides the tools and resources to prevent the occurrence of sexual assaults while also protecting the rights and dignity of victims.

## CAREER/FINANCE PROGRAMS

**NATIONAL GUARD EMPLOYMENT ENHANCEMENT PROGRAM** provides employment support to connect employers and businesses seeking to hire veterans and service members. In FFY22 they assisted 611 clients with resume, job search, networking, and placement (resulting in 245 hired).

**PERSONAL FINANCIAL COUNSELORS** help Ohio Soldiers, Airmen, and Family members manage finances, resolve financial problems, and reach long-term goals such as getting an education, buying a home, and planning for retirement.

**TRANSITION ASSISTANCE ADVISORS** play a significant role in retirement programming, providing individualized and group consults on benefits, resources, programs and services to Soldiers who are retiring or separating from the Ohio National Guard.

## FAMILY PROGRAMS

The State Chaplain’s Office created several online learning opportunities for Soldiers and Family members to develop relationship and financial skills in lieu of traditional in-person Family, couples, and singles Strong Bonds Program weekends which resulted in providing three programs to 90 members.

**YOUTH PROGRAMS** are available for school-aged military-connected youth. In SFY23, 148 program volunteers provided 15,488 hours of service, impacting over 4,362 Ohio Military youth and Family members. Three, 5-day residential camps hosted 232 youth and teens, focusing on leadership and resilience.

## PARTNER PROGRAMS

**INTER-SERVICE FAMILY ASSISTANCE COMMITTEE (ISFAC)** is a state-level committee of regional, state, federal agencies and organizations that meet to collaborate and align resources in support of Ohio troops and military Families.

**EMPLOYER SUPPORT OF THE GUARD AND RESERVE** promotes cooperation and understanding between Reserve Component service members and their civilian employers and to assist in the resolution of conflicts arising from an employee’s military commitment.

**YELLOW RIBBON REINTEGRATION PROGRAMMING** assisted 2,162 Service Members and 1,482 Family members with the rigors of deployment and reintegration into civilian life through 10 briefings and 6 online events.

**MILITARY ONESOURCE CONSULTANT** builds relationships with organizations and individuals that provide support to service members and their Families. In SFY23, they supported 34 events with 6,935 attendees, reached 1,048 organizations resulting in 362 meetings, and provided direct support to 974 individuals.

# EDUCATION & INCENTIVES

Education benefits are a significant incentive for recruiting and retaining quality Soldiers and Airmen in the organization. In addition, as technology constantly evolves, the educational and knowledge demands on our force increase proportionately.

Providing a variety of federal and state programs and educational benefits — including tuition assistance, student loan repayment, and induction and retention bonuses — the Ohio National Guard reaps better educated, well-rounded personnel to operate high-tech systems and lead our Soldiers and Airmen.

## SOLDIER EDUCATION ASSISTANCE

The Ohio National Guard administers education programs and benefits which facilitate the accession and retention of Soldiers with specific skill sets thereby shaping the force in a manner which results in improved readiness levels. In FFY22, payments for the following programs were processed and reviewed at the Ohio National Guard headquarters before being sent to National Guard Bureau for further review and payment.

## OHIO NATIONAL GUARD SCHOLARSHIP PROGRAM

The Ohio National Guard Scholarship Program (ONGSP) is a benefit provided by the State of Ohio and earned by Guard members for their service. It is not a grant or an entitlement program.

The ONGSP awards an average of 5,440 scholarships each academic year. Of the awarded scholarships, about 85% are for students attending public institutions of higher education. State-assisted institutions are paid 100 percent of students' tuition, which has been defined by the Ohio Board of Regents to include basic and instructional fees, while private schools are paid the average per-student tuition charges of state-assisted universities.

A recent new expansion to the ONGSP currently offers over 300 trade certification, credential-certifying, and licensing programs to OHNG members. The ONGSP will pay tuition costs for any approved Non-Traditional Education Program (NTEP) at any participating college or university after federal or Department of Defense educational assistance funding has been applied.

**In SFY23 the ONGSP processed 3,777 term applications for 1,965 members against a \$17.8 million appropriation.**

# GOVERNMENT AND

## GOVERNMENT AFFAIRS

The Government Affairs Office (GAO) is responsible directly to the adjutant general for liaison and engagement at all levels of government and with key stakeholders. The GAO serves as the Adjutant General's Department/Ohio National Guard proponent for addressing elected officials' inquiries, managing political communications, and developing policies that enhance the capabilities and capacity of the organization. Through synchronized communications, interactions, engagements, outreach, and dialogue with state/federal officials/legislators and other stakeholders, the GAO shapes awareness and perceptions of the Ohio National Guard and State Defense Force while advocating for legislation (appropriations) beneficial to infrastructure, force structure, equipment, and resources. Other key GAO responsibilities include legislative initiatives that are monitored by the Office of the Legislative Liaison, which tracks constituent inquiries as well as state and federal legislation. These were significant bills signed into state law and resolutions adopted by the Ohio Legislature:

### OHIO HOUSE BILL 338

#### Revise motorcycle safety and education program

Effective 8/31/2022: This makes changes to the laws related to the Bureau of Motor Vehicles, regional transit authorities, toll violations between states, the financial contracting authority of the Director of Transportation for purposes of the Brent Spence Bridge Project, and to make an appropriation to fund these changes. It specifically affects Ohio National Guard members and other former or current military service members in that it waives the CDL knowledge test, as well as the fee for select military experience compatible with training to earn those credentials. This continues to support Adjutant General's Department initiatives to expand the Ohio National Guard Scholarship Program to include certificates, trades, and licensure.

### OHIO HOUSE RESOLUTION 382

#### Observe November as Military Family Month

Adopted 12/13/2022: To observe the month of November as Military Family Month in the state of Ohio. In addition, a substitute bill was accepted that corrects the number of active-duty (7,000) and total National Guard and Reserve members (27,000) in Ohio.

### OHIO HOUSE BILL 33

#### State Operating Budget for SFY 2024-25

Effective 7/4/2023: The overall state budget includes the General Revenue Fund allocation and other resources for the Adjutant General's Department to operate in the next two fiscal years. This budget includes \$500,000 per year for the department to establish a "Bucks for Buckeyes" referral incentive program, to support recruiting and accession efforts for the Ohio Army and Air National Guard. Funds are specifically tied to compensating individuals who assist in the enlistment of a Soldier or Airman into the Ohio National Guard or have identified an innovative approach or concept that supports recruiting efforts.

### State legislators participate in orientation flight, tour

Ohio legislators and their staff gather for an orientation flight and familiarization tour Aug. 12, 2022, at Rickenbacker Air National Guard Base in Columbus, Ohio. In addition to a UH-60 Black Hawk helicopter flight, conducted by members of the 1-137th Aviation Regiment, attendees also received presentations and viewed static displays from the Ohio Homeland Response Force, 52nd Civil Support Team and Company B, 2-19th Special Forces Group. Orientation events provide an opportunity to educate key external stakeholders about the Ohio National Guard's missions and capabilities.

# PUBLIC AFFAIRS

## MEDIA RELATIONS

The Ohio National Guard Public Affairs office works with media to answer questions, promote Guard events, and give reporters access to the Ohio National Guard, its mission, and the individuals who serve this state and nation. In SFY22, the Public Affairs office responded to 50 media inquiries, assisted with one special event, four call to duty ceremonies and one facility opening.

## ONLINE PRESENCE

## Buckeye Guard streamlined in 2023; video newscast garners prestigious award

Premiering as a magazine in 1976, the Buckeye Guard is currently produced as both an online publication and companion video newscast, with content for the two formats combined at the beginning of 2023 to better synchronize news delivery and messaging. Individual newscast segments are featured as the core content of each online publication, which also includes unique historical content, news stories and photos. Episodes of the newscast are shown on the Ohio Channel. The September 2022 episode of the video newscast won first place in the Department of Defense Media Merit Awards competition, in the long-form video category.

# OHIO ARMY NATIONAL GUARD COMPRISES SIX MAJOR SUBORDINATE COMMANDS

The Army National Guard provides infantry, armor, artillery, engineering, transportation, water purification, air defense, cyber, logistics, administrative, medical support, and command personnel who have the training and equipment to perform its federal warfighting mission, as well as its state mission to support local authorities during domestic emergencies.

The state's 120 Army Guard units occupy 42 training sites/areas and readiness centers throughout 36 Ohio counties.

# 16TH ENGINEER BRIGADE

**Authorized Strength: 1,557**  
Colonel John C. Detling  
Command Sergeant Major Abraham E. Johnson Jr.

## **Blast, Build, Battle**

The 16th Engineer Brigade provides command and control of three mission-tailored assigned subordinate battalions. It plans, coordinates, directs, and conducts mobility, countermobility, and survivability tasks, and provides support to general engineering missions (structural, horizontal, and vertical engineering) during federal mobilizations. The organization can provide civil engineering, construction design, and heavy construction assets across the spectrum of homeland security and homeland defense missions, to include responding to natural/man-made disasters. Subordinate units can provide search and extraction and decontamination capabilities in the event of a state/domestic emergency.

# 179<sup>TH</sup> CYBERSPACE WING

**Authorized Strength: \*1,210+**  
Colonel Darren E. Hamilton  
Chief Master Sergeant Edward N. Taylor III

The 179th Cyberspace Wing, located at Mansfield Lahm Air National Guard Base in Mansfield, Ohio, has been selected to be the nation's first Air National Guard cyberspace wing. The 179th AW's primary mission for the previous nearly 50 years was military cargo airlift, until the divestiture of its C-130 aircraft in the summer of 2022 in conjunction with its conversion to a cyberspace wing. The unit transformation will challenge and shape its capabilities and Airmen as it evolves to meet its new tasking. The organizational focus will be to take care of Airmen — through training, equipping, and leading — to meet the unit's Initial Operating Capability requirement in 2025 and Full Operational Capability in 2027. The 179th CW's infrastructure will be transformed to support secure communications facilities, additional power needs, and other requirements. The new mission will provide cyber-enabled capabilities supporting tactical needs in air superiority and information warfare, which will provide a competitive advantage in combat performance and survivability in joint force operations. The unit provides administrative and other support to the 200th RED HORSE (Rapid Engineer Deployable Heavy Operational Repair Squadron Engineers) in Port Clinton, Ohio.

The 200th RED HORSE (Rapid Engineer Deployable Heavy Operational Repair Squadron Engineers), located at Camp Perry Joint Training Site in Port Clinton, Ohio — and the 200th RED HORSE Detachment 1, located in Mansfield, Ohio — provides engineering, construction, and logistics capability, during peacetime or combat, anywhere in the world, to achieve state and federal priorities.

# 180<sup>TH</sup> FIGHTER WING

**Authorized Strength: 1,011**  
Colonel Chad E. Holesko  
Chief Master Sergeant Daniel Baumert

The 180th Fighter Wing, located at Toledo Air National Guard Base in Swanton, Ohio, operates the F-16 Fighting Falcon jet aircraft. The 180th FW trains, organizes, and equips expeditionary war fighters to deploy, fight, and win worldwide, with minimum response time, in cases of national emergency or war. The 180th FW provides for America; protection of the homeland, effective combat power, and defense support to civil authorities. The 180th FW has access to multiple military operating airspaces and air-to-ground gunnery ranges perfectly suited for the capabilities of the F-16. Centrally located with access to three major military operations area (MOA) airspace complexes, the 180th FW regularly uses the Buckeye and Brush Creek MOA airspaces in southern Ohio, the Alpena MOA airspace complex in northern Michigan, and the Indiana Air Range Complex MOA in southeast Indiana. To stay ready and razor sharp in the execution of its 24/7 aerospace control alert mission, the 180th FW conducts monthly training exercises in the surrounding national airspace regions to enhance command and control, and air traffic control integration with fighter escort for its alert intercept mission.

# STATE DEFENSE FORCE

The State Defense Force (SDF) comprises the Ohio Military Reserve, Ohio Naval Militia, and the Ohio Cyber Reserve. As integral parts of the Adjutant General's Department, these organizations have specific roles that enhance the capabilities of the Ohio National Guard and provide additional civil-military expertise and functionality. The SDF has an exclusive focus on protecting the state. Elements of the SDF share similarities, with regard to rank and organization (Ohio Military Reserve and U.S. Army; Ohio Naval Militia and U.S. Navy), but are not part of the federally funded Reserve Components, like the Army and Air National Guard.

## HEADQUARTERS, SDF-OHIO

### COMMANDER

Brigadier General (Ohio) Larry Pinkerton

The State Defense Force (SDF) is commanded by a brigadier general (non-federally recognized) who reports directly to the adjutant general and maintains a staff of about 30 personnel. The SDF was a significant part of the state of Ohio's COVID-19 response, supporting distribution missions in addition to augmenting staffing at multiple state agencies.

### Ohio Naval Militia helps keep boaters safe on Lake Erie

Members of the Ohio Naval Militia are tasked with patrolling the waters around Camp Perry to ensure civilian boaters are safely out of range during military weapons training.

## OHIO CYBER RESERVE

### PROGRAM MANAGER

Craig W. Baker

Organized in 2020, the Ohio Cyber Reserve (OhCR) comprises civilian cyber professionals from academia and private/public enterprise.

These volunteers form regional OhCR teams that are available for the governor to assist eligible municipalities, state agencies, and other governmental entities with cybersecurity vulnerabilities and provide recommendations to reduce cyber threats. OhCR volunteers provide workforce development to train the cyber talent of the future and assist STEM teachers by providing mentors for high school cyber clubs. OhCR members are true volunteers; they are not compensated for their training or service, unless activated by the governor to perform state active duty.

The OhCR is one of only a few cyber preparedness and response elements, nationwide, established at the state level under an organized militia. The passage of Ohio House Bill 52 in October 2019 authorized the establishment of the OhCR under the SDF and Adjutant General's Department.

## OHIO MILITARY RESERVE

### COMMANDER

Colonel (Ohio) Deano McNeal

Established in 1949, the Ohio Military Reserve (OHMR) is a key part of the Adjutant General's Department.

The OHMR is focused on providing capabilities related to Emergency Support Functions 6 (Mass Care) and 7 (Logistics and Resource Management) under the Federal Emergency Management (FEMA) Incident Command structure. The OHMR also recently gained drone/remotely piloted aircraft capabilities to support its assigned state missions. Organized similar to an Army brigade, the OHMR has the requisite training, administrative, operational, and sustainment capacity to respond to state-level emergencies.

The OHMR is not compensated for their training; they are compensated during state active duty missions and paid according to their military rank/pay grade.

## OHIO NAVAL MILITIA

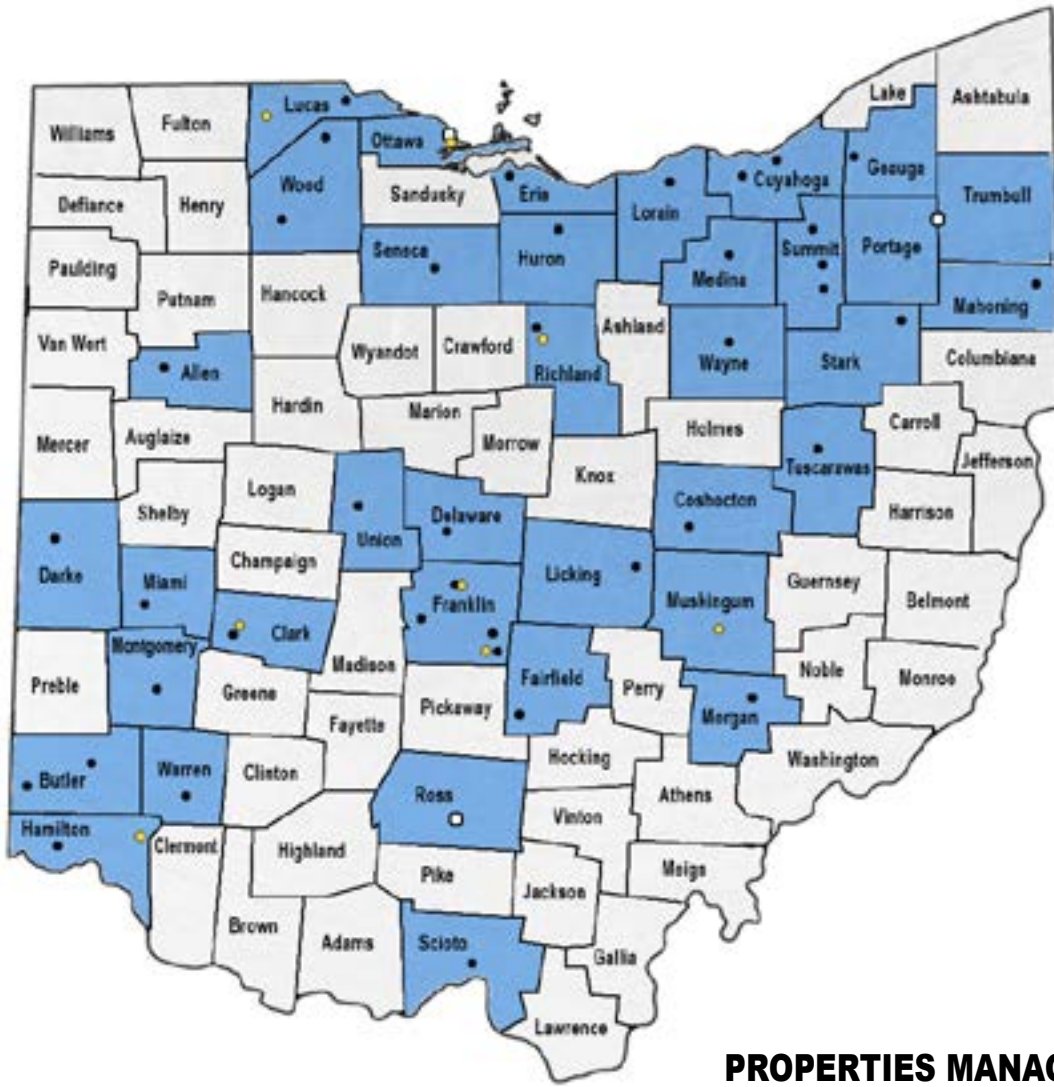

### COMMANDANT

Captain (Ohio) Bethany Carpenter

The Ohio Naval Militia (ONM) is an organized, all-volunteer unit that has been serving the state of Ohio since 1896.

The ONM's primary mission is to provide safety and site security support to the weapons ranges at Camp Perry Joint Training Center, just outside Port Clinton, Ohio, on the shores Lake Erie. Like other SDF components, members of the ONM are not compensated for their training or service unless performing state active duty missions. ONM members conduct extensive monthly training. Classroom training includes GPS, radar, radio communications, CPR/AED and first responder first aid. Members who are certified through the Ohio Department of Natural Resources volunteer their time to conduct the Ohio Boater Education Course.

# ASSISTANT QUARTERMASTER GENERAL

The assistant quartermaster general manages state property and resources through the Directorate of Installation Management and Resources (DIMR), which oversees energy and environment, state finance, state contracting, planning and programming, resource management, state inventory and business services, geospatial information services, electronic security systems, and property management.

The Adjutant General's Department is focused on providing and maintaining facilities to support the needs of the state's military structure. The DIMR is responsible for the acquisition, inventory, maintenance and repair, and management of all state-owned and -operated real and personal property of the Adjutant General's Department, Ohio Air and Army National Guard, and the State Defense Force.

## ENERGY & ENVIRONMENTAL

The Ohio National Guard is a leader in the deployment of environmentally responsible behaviors and technologies using renewable energy sources to provide electric power for facilities, with the goal to reduce the quantity of electric consumption, demand charges, and harmful emissions.

The Ohio National Guard and Adjutant General's Department continue efforts to meet mandated energy conservation goals by pursuing alternative energy sources, such as wind and solar, to reduce overall consumption as well as the resulting carbon footprint.

During the last decade, reduction of energy consumption and conservation of natural resources have been a major focus, aided by successfully implementing several energy reduction initiatives.

### In SFY23, environmental initiatives included:

JCI Metasys Front End-Server Upgrades – Statewide.....	Completed 2023
Phase 4 LED lighting upgrades at 2 facilities .....	Completed 2023
Phase 5 LED lighting upgrades at 4 facilities .....	Completed 2023

### Efforts to reduce energy consumption and conserve natural resources continue in 2023-24 through these initiatives:

Retro-commissioning of 3 facility HVAC systems .....	1 of 3 Completed, 2 In-progress
Phase 3 LED lighting upgrades at 6 facilities .....	5 of 6 Completed, 1 In-progress
